

About Crealogix

Crealogix is a Top100 FINTECH and a global leader in digital banking technology located in Central Europe. We are operating in a market of continuous growth and invest in the most advanced technologies. Dynamic project management, agile software development and international teams are our key success factors.

For our operations in **Warsaw / Poznań and also fully remote** we are currently looking for smart professionals in the field of

QA Manual / Automation Engineer

Your tasks

- ❖ Work on improvements and maintain the automation framework for e-banking software
- ❖ Run Selenium jobs via Jenkins and analyse test results
- ❖ Report defects found in testing diligently, promptly, and accurately, using standard defect tracking tools
- ❖ Track defects from discovery to successful correction, validation and verification
- ❖ Perform both new functionality and regression tests; identify, analyse and report issues for follow-up

Your qualifications

- ❖ 3 years (or more) of experience with web application testing
- ❖ 2 years of experience with Selenium automation and Java
- ❖ Good understanding of both QA and software development life cycles
- ❖ Experience with non-functional testing – Load testing, Performance testing, API testing and Mobile Automation testing will be considered as a plus
- ❖ Knowledge or willingness to learn about banking business processes
- ❖ Strong analytical skills and attention to details
- ❖ Ability to work well within teams
- ❖ Ability to set realistic schedules and manage on-time completion of tasks
- ❖ University degree in computer science (or equivalent) is a plus
- ❖ Good spoken and written English skills (basic knowledge of German will be considered as a plus)

What you can expect from us

- ❖ Working with latest technologies
- ❖ Lots of career development potentials
- ❖ Challenging projects (usually product/feature development)
- ❖ International software development teams with distributed delivery groups
- ❖ Remote work and flexible working hours
- ❖ Private healthcare and Multisport card
- ❖ Training & education
- ❖ Direct employment - by Crealogix Poland
- ❖ Attractive remuneration
- ❖ Language classes (usually business English; but not limited to)
- ❖ Modern computer equipment, incl. Apple device policy
- ❖ Employee referral programme
- ❖ Integrational meetings & events
