

About Crealogix

Crealogix is a Top100 FINTECH and a global leader in digital banking technology located in Central Europe. We are operating in a market of continuous growth and invest in the most advanced technologies. Dynamic project management, agile software development and international teams are our key success factors.

For our operations in **Warsaw / Poznań and also fully remote** we are currently looking for smart professionals in the field of

iOS Developer

Your tasks

You will be part of a talented team that works on mission-critical applications. Your main focus area will be:

- ❖ Join as member of our Mobile Application Platform (MAP) team
- ❖ Improve and maintain the iOS part of our MAP product, consisting of a secure browser and multiple plugins to provide native functionality to our hybrid application (e.g., biometrics, camera, payment scanner, Apple pay, etc.)
- ❖ Support our dedicated DevOps team to improve and maintain our iOS build pipelines
- ❖ Take ownership of defining the technical solutions, together with the rest of the team

Your qualifications

- ❖ Strong knowledge of iOS development
- ❖ Strong knowledge of Swift
- ❖ Knowledge of JavaScript
- ❖ Knowledge of iOS build tools (eg. xcodebuild, Fastlane, CocoaPods, Gems)
- ❖ Very good knowledge in software development fundamentals and knowledge of architecture patterns & security concepts
- ❖ Knowledge of the following technology stacks is a plus: Artifactory, Jenkins, Docker, Git
- ❖ Knowledge of the following programming / scripting languages is a plus: Bash, Groovy, Python, JavaScript
- ❖ Knowledge of the following web technologies is a plus: TypeScript, React, npm, lerna
- ❖ Experience with Jira, BitBucket, Confluence
- ❖ Experience with agile practices & processes (e.g., Kanban, Scrum)
- ❖ Fluent verbal and written communication skills in English

What you can expect from us

- ❖ Working with latest technologies
- ❖ Lots of career development potentials
- ❖ Challenging projects (usually product/feature development)
- ❖ International software development teams with distributed delivery groups
- ❖ Remote work and flexible working hours
- ❖ Private healthcare and Multisport card
- ❖ Training & education
- ❖ Direct employment - by Crealogix Poland
- ❖ Attractive remuneration
- ❖ Language classes (usually business English; but not limited to)
- ❖ Modern computer equipment, incl. Apple device policy
- ❖ Employee referral programme
- ❖ Integrational meetings & events
